EAT

Award-winning Restaurant

Our hard work is validated annually as we retain our coveted two AA rosettes in the restaurant. Owner and Head Chef, John Rudden and his team skilfully prepare award-winning dishes inspired by locally sourced seasonal ingredients from across the Yorkshire Dales. The menus are described as traditional with a modern and eclectic twist. Known as the 'Grassington House twist', there are so many flavours to explore from the classics to new discoveries. Alongside Sunday favourites like our 14-hour slow roasted beef, awaits a warm and inviting experience, a choice of indoor and outdoor seating options and the friendliest team to cater to your every desire.

The Dales & Events

Our property is situated on the Dales Way trail in the picturesque village of Grassington with its cobbled streets and iconic breathtaking scenery, now made famous by the Channel 5 series, 'All Creatures Great and Small'. Riding, walking, caving, shooting and fishing are a plenty as well as beautiful scenic walks for all abilities from a quiet stroll along the riverbank at Bolton Abbey to a more challenging trek at Malham Cove. Spend some leisure time browsing the village square and its boutique shops, take a day trip to Skipton market and the medieval castle or visit the spectacular Linton Falls.

We simply love exploring the Yorkshire Dales and know you will too.

Throughout the year, from the 1940's weekend to Christmas festivities, the village and Grassington House host a wonderful selection of events. Private events from 10-60 people can also be catered for in the hotel and restaurant. Licensed for civil marriage and partnership ceremonies, our event team can also help you to create a tailor-made day for special memories that you will never forget.
