ESCAPE • EAT • ENJOY

# UKRAINE APPEAL FOR THE RED CROSS

Here at Grassington House we are watching with extreme sorrow and sadness, along with everyone else around the globe, as the war continues in Ukraine.

We want to make a difference and every little helps so starting tomorrow **Friday, March 11<sup>th</sup>**:

- For every portion of Loaded Fries, served in the bar or terrace between 12 noon and 5pm – we will donate a full 50% of the price paid. Not the profit. The actual price.
- If you do not want Loaded Fries and are eating with us, if you order a portion of ‘virtual’ Loaded Fries – we will donate 100% of the price paid.

The Red Cross are working tirelessly across all borders to support displaced families and the funds raised over the next few weeks will go directly to them. As well as the very generous donations of clothing and other items that are being given, we know that they simply need cash so that is exactly what we will be sending.

LOADED FRIES have been chosen because they are one of our all-time best sellers in the bar. **Thank you** for supporting this initiative.

John, Sue and the team at Grassington House

*NB: Please note Loaded Fries are not served in the main restaurant, however, we will be happy to add a virtual order to your bill for the appeal.*
